5. (Unclassified - GLC) LIAISON Received a call from Frank Sullivan, Staff Director, Senate Armed Services Committee, regarding the briefing scheduled for Thursday on the world situation. Sullivan was quite agitated about the appearance of Admiral Turner at this hearing and practically demanded that he be there. I told Sullivan that the Admiral was out of the country, was not expected back until late tomorrow night, and that while we were passing a message to him that Chairman John Stennis (D., Miss.) would like him to be present if he could, that we could in no way make a commitment, especially since Admiral Turner would be at an NSC meeting on Thursday morning. I told him that I was sure that if he could drop by the hearing as Sullivan had suggested, that he would do so.

6. (Unclassified - LLM) LIAISON Bob Stark, associated with the student government at Michigan State University, called further on Agency participation for a 7 March symposium, at which Jack Maury, former Legislative Counsel, among others will participate. He was referred to [redacted] O/Assistant to the DCI.

7. (Internal Use Only - LLM) LIAISON Sam Hoskinson, NSC, called to indicate that the President had received from Chairman Clement J. Zablocki, House International Relations Committee, a letter concerning [redacted]

Hoskinson will send over a copy of the letter and we will prepare a suggested response.
